## DART – Drama & Art project -

Tues Feb 21<sup>st</sup> – 24<sup>th</sup>

### What we'll be doing :

Throughout the week, all the children will be involved in the entire process of putting on a performance. Our show will centre around The Great Fire of London 1666. There will be opportunities for speaking roles, singing in the chorus and dancing, as well as making props, designing and making scenery & costumes and learning many new techniques.

The day will be structured into performance rehearsals, choreographing, art & design sessions, as well as warm up games, vocal coaching, team games and recreational play, the children will be given regular breaks as well as a full lunch break. There will be a provision for an earlier drop off and pick up at cost//if take up is there.

We have the use of Coxlodge community centre, with free parking and good transport links. It also has a large hall we can have use of, as well as plenty of outdoor space. An adult will be with the children at all times and roll calls will be done on a regular basis. We are planning on using the big hall for our final performance.

The program will start at 9am sharp!! And finish at 3pm. There will be an opportunity for pre program care and after program care if there is enough take up. Children here will be supervised but no extra food will be provided at this time.

### Who it's for :

Our project will be suitable for any enthusiastic children from the age of 6 – 10years. ( we will be flexible either side ) but no younger than 5 ½ years ( has to be an independent 5 ½ year old who can cope with a long full on day! ) **It is essential children attend the whole 4 days of the project.**

### Cost :

DART – will consist of 4 days, totalling 26 hours. The cost is £75 for the 4 days which works out less than £20 a day!!

A deposit must be made in order to secure a place – there are only 20 places max. A bank transfer can be made to Eliniah Eitani – details below

Note: Please get a written confirmation before making your deposit.
